QUALITY CARE GAP · PRESCRIPTION ACTION REQUESTED

Date: August 15, 2026

Dear Treating Provider,

Based on pharmacy claims data for the member listed below, United Healthcare has identified an open STARS quality measure: Statin Therapy for Patients with Cardiovascular Disease (SPC measure).

ACTION REQUIRED · PLEASE PRESCRIBE:

Medication: Atorvastatin Calcium 40 mg Tablet

Quantity: 90 tablets

Directions: Take one tablet by mouth daily

Preferred: Send eRX to CVS Pharmacy (NCPDP: 1234567)

This prescription is needed to close the member's STARS gap before the measurement year closes on December 31, 2026.

Please select one option and fax this form back:

☐ Prescription transmitted via eRX

☐ Prescription faxed to pharmacy

☐ Patient declined · reason: _____

☐ Medically inappropriate · reason: _____

Response requested by: September 30, 2026

Return fax: 1-800-555-0199
